MALAY TRADITIONAL WEDDING CEREMONIAL SEQUENCE

Firstly, a buggy all dressed up with 'Just Married' will pick up the couple from the room and transport them to the beach / Marina Club where the traditional reception will be held. This will be accompanied by a troupe of drum beaters and other entourage in a colorful procession.

Upon arrival, the 'host' of the house and his family who will sprinkle scented water and mixed flower petals will greet them as they enter the house. They will be invited to take their seat at the dais(stage) which will only be for a short time while certain activities are carried out according to the traditions.

Activities

Silat (Malay Art of self Defence) performance and a short traditional Malay dance will ensue.

The couple will be prompted to exchange rings.

Then we will call upon well wishers (mainly staff of the resort) to do the blessing ceremony (sprinkle of saffron rice and scented water on the palms of the lucky couple).

A cake will be brought out for them to cut.

Proceed to cocktail reception commences for 1 hour

Programme ends.

The whole process will be videod.
